

## HELLO AGAIN

**VOL. 25 NO. 2**

**MAR – APR, 1994**

**A PERSONAL NOTE:** My daughter, Robin, recently had my second grandchild, Lucas. She, Lucas, Jacob and her husband, Neil are still living in Delanson, NY, a few miles west of Albany. My son, Craig and his wife Kim, are still living in Peculiar, MO. Craig has run Hickerson Cable for 12 years. Craig has a very sizable Superman memorabilia collection. If you would like to trade or sell, contact him at 56 Chadwick Estates, Peculiar, MO 64078...**Thousand Oaks Library** suffered severe losses due to the recent earthquake and is asking for donations to help rebuild parts of the library. Norman Corwin donated all his memorabilia to the library and the FOTR made a donation to it a few years ago. If you would like to send a donation, send it to Thousand Oaks Library Foundation, 1401 E. Janss Rd., Thousand Oaks, CA 91362.

We lost a good friend on March 3. **Ezra Stone** died of a heart attack at the age of 76. Ezra was a guest at our convention for many years and recently performed for the Shubert Radio Theater in New Haven. This re-creation of the Aldrich Family was broadcast over the air. This may have been the last broadcast he did. Ezra was president and director of the David Library of the American Revolution. This organization was started by his father. If you wish to donate money in his behalf, you may send it to either The American Academy of Dramatic Arts, 120 Madison Ave., New York, NY 10016 or The David Library of the American Revolution, River Rd., Box 748, Washington Crossing, PA 18977. There will be a memorial service at the David Library on May 28. For more information, call 215-493-6776.

**RADIO IS ALIVE AND WELL:** **Rosa Rio** doesn't seem to be slowing down too much in her new Sun City Center home in Florida. Rosa has been performing since she was 12. Their house is a scale-down concert hall with two organs and one piano. Leaving Connecticut and embarking on a new life in SCC didn't take a great deal of preparation for Rio. She likened the move to her final concert--something she has spent her entire life preparing for.

**ULTIMATE LOG:** Copies are still available for \$52. The cost includes the first supplement and P & H. The first supplement is available for \$11.50. That also includes P & H. I am trying to update information on Mysterious Traveler, Let's Pretend, Quiet Please and The Saint. If you have sizable collections with **dated shows and titles**, please let me know. In return I will send you my up to date list of all four shows and what is available.

**CONVENTION 1994:** Dates are October 20 – 22 at the Holiday Inn North. Dave Zwengler, 6 Lake Ave. #5B, East Brunswick, NJ 08816 is looking for panelists for America's Town Meeting that will be held on Friday afternoon at our convention. If you are interested, let him know.

### Friends of Old-Time Radio Script Contest

The first annual original script writing contest is now open. We would like an original 30 minute script which must be based on any of the great radio programs of the past, such as The Shadow, Jack Benny, etc.

The script can have the characters originating in their original era and time or you can update the time to today. The script must have all music and sound cues as well as all the spoken material. Try to arrange it in script form so it doesn't have to be retyped.

The prize for the best script will be \$150 and will have its live performance at our convention on Thursday evening after dinner (October 20th, 1994). We would like you to attend our convention to participate but it is not mandatory. You can direct it if you wish. There will be some rehearsal time. Scripts must be submitted by September 3, 1994. Send to Dave Zwengler, 6 Lake Ave. #5B, East Brunswick, NJ 08816. A distinguished panel of old-time radio buffs will pick the winning script. They must be very readable. All are eligible so please spread the word.

Will all clubs with newsletters print the above in order to give everyone a chance?

**LET THE BUYER BEWARE:** It has been a while since I had this topic. Several of my readers have had trouble receiving merchandise from 3 different dealers. When you order something for the first time, order a small amount to see how reliable the person is. Also, I personally feel each dealer in his catalog should include his name and phone number.
